

Bear River Music Department

**Music
Benefactor
Program**

*Supporting School Music
& Its Students!*

The Choral and Instrumental Music Program at Bear River High School is alive and thriving - even in these times of budget shortfalls, declining enrollment, and far too many cutbacks in the arts. WITH YOUR FINANCIAL HELP, we will be able to maintain our high levels of excellence in both student opportunities and performance.

By donating to the Music Department today, you will do three things: 1. Help the student directly who has asked for your donation. 45% of your donation will go toward that student's expenses for travel, honor group participation, costuming, or other music related expense. 2. Help the overall music program. 55% of your donation will go into the general fund that pays for sheet music, festival entry fees, transportation, instrument repair & purchase, etc. 3. Enter you into one of our four Benefactor Levels. You will receive recognition in our concert programs for the year as well as your choice of performance tickets as our gift.

**Adagio
Level**
\$20 & up
Includes 2 tickets
to any show.
